SBS INSTITUTE

2024 ONLINE CERTIFICATION CALENDAR

Join the growing community of professionals in the financial services industry who are showing their commitment to strong cybersecurity practices and career advancement with a certification from the SBS Institute. Members of the SBS Institute receive cybersecurity education uniquely and specifically designed to serve the banking industry.

Certification courses include real-world scenarios, regulatory compliance best practices, access to a library of resources, and the opportunity to develop valuable material to implement at your institution. Members are not only better prepared for cybersecurity threats and regulations, but holding a cybersecurity certification creates confidence with examiners and auditors as well. Each course is available online and tailored to specific roles within an institution, creating a flexible and targeted learning experience.
